

LAUNCH PROGRAM FOR THE SECOND SESSION OF THE TERRITORIES SCALL FOR PROJECTS

To develop ambitious and innovative initiatives to
protect water resources

The LIFE REVERS'EAU integrated project, supported by the Pays de la Loire Region, aims to restore the good status of the region's water bodies.

With this in mind, the Pays de la Loire Region and its partner, the Loire Bretagne Water Agency, are launching the second session of their call for projects, aimed at local authorities, their associations and their delegates.

10 am to 12pm

Presentation of the Revers'eau project

Presentation of the Territories call for projects

Examples of action
