Open Day Humana Sorting Center

Leganés, Madrid
5 June 2025

The second life of clothes and footwear starts here!

Separate collection of used textiles is mandatory since January 2025. Have you ever wondered what happens to your clothes after you place them in the container?

Humana offers you the unique opportunity to participate in a guided tour of its sorting center in Leganés, Madrid, one of the largest textile waste management facilities in Spain.

Location

Calle Camino de Polvoranca, 3, 28914 Leganés, Madrid

Date & time

5 June 2025

10:00 – 10:45 / 11:00 – 11:45 / 12:00 – 12:45

This sorting facility is operating since 2010 and was expanded in 2018. It is one of the largest textile waste management facilities in Spain. It has two spaces with over 10,000 m² of surface area. 40 tonnes of textile waste are processed daily by a team of over 100 people.

You will see: Unloading of collection vans | Manual sorting of textiles | Special sorting of vintage garments | Sorting of shoes | Quality control | Packaging, storing and expedition

Anyone who is interested in sustainable fashion and circular economy is welcome to join our guided tour!
