

Show Garden

Draft programme

The European Commission's '**Renewed Blooms**' garden will be open to the public from 9 am to 6pm on the following days

Thursday 29 May

Friday 30 May

Saturday 31 May

Sunday 1 June

Monday 2 June

On-site DIY workshops with the [Rediscovery Centre](#), Ireland's National Centre for the Circular Economy will be organised as well as we will be provided educational materials to empower visitors to bring circularity into their daily lives.

The show garden has been designed by the award-winning designer **David Negus**. David merges architecture and horticulture to create meaningful, sustainable landscapes that redefines garden design through circular principles.
