

#EU GREEN WEEK

PARTNER
EVENTS 1-30
JUNE
2026

An EU Green Week partner event bringing together exemplary initiatives and projects from across Europe which are reimagining value chains and demonstrating novel circular systemic solutions.

Combined with the participation of other important stakeholders, such as the CCRI, the European Commission, and other practitioners, academics and associations, the event will highlight the advantages of circular systemic solutions from the perspective of improving Europe's resilience, competitiveness, and nature-positive economy.

AGENDA

10.00 – 10.30 Welcome and opening remarks

- Francoise Bonnet, Secretary General, ACR+
- CCRI (TBA)
- Georgios Arampatzis, Associate Professor, TU Crete

10.30 – 11.30 Value chains in focus

- CSSboost (value chain of choice)
- CircSyst (value chain of choice)
- FIC Fighters (value chain of choice)
- TBA

11.30 – 12.15 Observations and outlooks

- Education for the future; Chrysostomos Galanos, TU Crete
- Policy interventions for the uptake; Jean Benoit Bel, Senior Project Manager, ACR+

Rethinking VALUE CHAINS for a European NATURE-POSITIVE ECONOMY
