Closing the Loop: How Organic-Based Fertilisers Drive EU Circularity & Competitiveness

EU Green Week 2025 Partner Event

Date: June 2025

Location: Brussels, Belgium (Hybrid format)

Duration: 1 hour

Draft Programme

10:00 – 10:05 | Opening Remarks

- **Quentin Protsenko (Frayssinet), ECOFI President**

10:05 – 10:20 | Keynote Address: Organic-Based Fertilisers – A Circular Solution for Sustainable and Competitive EU Agriculture

- **Pawel Lewandowski (Evergreen Garden Care), ECOFI Board, Industry Representative from the Organic-Based Fertiliser Sector**

10:20 – 10:45 | Panel Discussion: Unlocking Circularity – The Policy Framework for Organic-Based Fertilisers

A high-level discussion on how EU policies on circular economy, fertiliser regulation, animal by-products regulation and CAP incentives can enable the scaling up of organic-based fertilisers, reducing reliance on external inputs and closing nutrient loops.

Speakers:

- **Pawel Lewandowski (Evergreen Garden Care), ECOFI Board, Industry Representative from the Organic-Based Fertiliser Sector**
- **Sylvie Grajales, Policy Officer, (DG ENV – Pending Confirmation)**
- **Farmer / Farmer representative using OBFs (Pending Confirmation)**

10:45 – 11:00 | Audience Q&A and Closing Remarks

- **Moderated by Nicolas Willaume (ICL Group), ECOFI Board**
