Agenda EUIndTech2025

01.06.2025 - Kraków Auditorium Maximum, ul. Krupnicza 33

16.00 - 19.00	Registration
17.00 - 19.00	Opening cocktail

02.06.2025 – Kraków Auditorium Maximum, ul. Krupnicza 33

08.00-17.00	Registration							
09.00-10.00	A 1	1 Official opening ceremony						
10.00-10.15	A 2	Power speech						
10.15-11.30	A 3	Research and Innovation in Poland for a Sustainable, Competitive, and Resilient Europe – From Science to Industry						
11.30-12.00	Coffee break							
12.00-13.30	M1	Research and Innovation for Clean Industrial Deal	T1	Future Terahertz Technology for Safety and Security: Materials and Wireless Communications	S 1	Enhanced dialogues EU – Japan on advanced materials	C1	What can the industry do to attract women and their potential?
13.30-14.30	Networking/lunch							
14.30-16.00	M2	Designing safe and Sustainable Materials and Chemicals – SSbD implementation and Digitalization	T2	Advanced and Green Materials in Priority Sectors: Electronics, Energy, Construction, and Mobility	S2	Circular Economy and Wellbeing: Driving Sustainability and Quality of Life	C2	Raw Materials - New Sustainable Solutions to Societal Challenges in EU R&D
16.30-17.00	Coffee break							
17.00-18.30	A 4 European Policy for the Development of New Advanced Materials and Technologies							
19.00-21.00	Gala dinner							

Site events					
9.30 -12.00	Poster session				
9.50 - 12.00	IATI 9 th Innovative Ideas of Young Scientists: Science – Startup – Industry				
10.30-13.30	Innovative Plastics Industry Solutions for Sustainable and Competitive Europe				
14:30-17.00	SET Plan IWG-Industry 2025 Annual Event: Towards Highly Efficient and Sustainable Energy Use in Industry				
14:30-17.00	Green SME Sustainability Event				

03.06.2025 – Kraków Auditorium Maximum, ul. Krupnicza 33

09.00-10.00	A 5 European Innovators – Innovative Ideas in Action: Central and Eastern Europe and Małopolska Region							
10.00-10.15	Coffee break							
10.15-11.30	M3	The Future of Sustainable Mobility and Recycling	Т3	Space Research and Innovation: Advancing Through the Space Technology Center	S3	Achieving Competitive and Circular Manufacturing in Europe	C3	The Role of Startups and SMEs in Building a Competitive European Economy
11.30-11.45	Coffee break							
11.45-13.00	M4	Nanotechnologies	T4	Twin Green and Digital Technologies for Increased Competitiveness: Al for Industrial Resilience and EU Economic Security	S 4	Eco-Innovation in Regions and Nations: Can Poland Afford Not to Be Eco- Innovative?	C4	Developing Skills for High- Quality Jobs in Europe
13:00-14.00	Networking/lunch							
14.00-15.15	M5	Advanced Materials at the Heart of Industrial Competitiveness	T5	Bridging the Digital Divide: Regional Collaboration for Smart Industrial Growth	S5	Circularity the Next Driver of Innovation	C5	Success Stories in the Use of European Funds and Horizon Europe Calls
15.15-15.30	Coffee break							
15:30-17.00	A 6 Designing the Future of Europe - Postmodernity and What's Next? - Beyond Horizon Europe							

17.00-17.30	A 7 Final session: Main Messages from the Session and Conclusions						
17.30-19.00	Closing cocktail						
Site events							
09.30-17.00	Matchmaking session						
	Poster session						
09.30-14.00	IATI 9 th Innovative Ideas of Young Scientists: Science – Startup – Industry						
	Danone competition and awards ceremony						

04.06.2025 – Kraków

09.00-16.00	0 Study visits/Cultural events
-------------	--------------------------------

Α	Main session
T	Technologies
M	Advanced Materials
S	Science & Business
С	Community in Action and Innovation
