

Open Info Day: Introduction to the Passive House Standard & EU Projects– Event Schedule

Location: Hellenic Passive House Institute Office

Date: Friday, 20 June 2025

Time: 12:30-18:30

Event Schedule

12:30 – 13:30 Welcome & Registration

- Meet the team, grab some coffee, and get an introduction to the Passive House standard.

13:30 – 16:00 Open Conversations & Public Q&A

- Speak with our Passive House experts about energy-efficient buildings, sustainability, and how Passive House principles can benefit you.

16:00 – 17:00 EU Projects Speed Dating

- Small groups rotate between project desks to learn about:
- **REN+HOMES** – Retrofitting strategies for near-zero energy homes
- **SIRCULAR** – Circular economy solutions for sustainable construction
- **RINNO** – Innovation in deep renovation for energy efficiency
- **DiVIRTUE** – Digital tools for virtual training in sustainable construction

17:00 – 18:30 Networking

- Enjoy refreshments and connect with industry professionals, researchers, and sustainability advocates.
