

bi.**CIRCLE** – a collaborative effort for a circular economy

Date: June 14, 2025

Time: 13:00 - 14:30

Location: Königstraße, near König-Heinrich Platz, in the heart of Duisburg's City Centre

Registration: no registration required, participation is free of charge

Target Audience: general public

Objective: To educate, inspire and connect Duisburg residents about circular economy practices through workshops, creative examples and information provision.

Program:

The following presentations and workshops will be held:

- Introduction to the bike service station and where to find further repair and sharing opportunities
- Bike check and repair workshop – learn how to maintain your bike independently
- Upcycling ideas: creative solutions for old bike parts
- Keynote: an introduction to circular economy projects and initiatives

Bring your bike, fix it up, or get some ideas on how we can make our city more sustainable and circular together.
