

## Green Week 2025 Event Draft

**Event Title:** Green Week 2025 - Małopolska

**Event Dates:** June 2nd - June 25th, 2025

**Target Audience:** High school students and general public

**Organizers:** Regional Advisors for Climate and Environment, Małopolska

---

**Overview:** Green Week 2025 aims to promote environmental awareness and sustainable practices among high school students and the local community. The event will feature online lessons and regional activities focused on key environmental topics.

---

**Online Lessons:** Two engaging and interactive online sessions designed for high school students:

1. **Circular Economy (GOZ)** – Exploring how a circular economy works and why it's essential for a sustainable future.
  2. **Zero Waste** – Practical tips and strategies to reduce waste in daily life.
- 

**Local Events:** Throughout Małopolska, regional Advisors for Climate and Environment will host a series of events between June 2nd and June 25th, 2025. These activities will include:

- Community workshops
  - Educational exhibitions
  - Eco-challenges
  - Field activities promoting local environmental initiatives
- 

### Goals:

- Raise awareness about sustainable living
- Encourage practical eco-friendly habits
- Inspire young people to engage in climate action

Join us for an inspiring and impactful Green Week 2025 — let's make a difference together!
