Wodzisław

ECO RALLY

June 6th, 2024

Family Amusement Park

"Trzy Wzgórze"

44-300 Wodzisław Śląski

"Wodzisław Śląski Eco-Rally" is an extraordinary event that celebrates environmental awareness and active participation among the youth of Wodzisław Śląski. This annual rally, organized by the City of Wodzisław Śląski in collaboration with the Department of Education and the City Student Council, aims to inspire the next generation to become stewards of the environment. Under the guidance of an eco-advisor, participants embark on an exciting journey that combines entertainment, education, and physical exercise. Spanning several kilometers, the Eco-Rally route winds through the picturesque landscapes of Wodzisław Śląski, providing participants with a firsthand experience of the city's natural beauty. Along the way, participants encounter checkpoints strategically placed to challenge their knowledge and problem-solving skills in environmental conservation. Tasks at each checkpoint vary in difficulty, allowing teams to tailor their experience according to their abilities. The tasks presented at each checkpoint encompass a wide range of environmental topics, with a particular focus on air and water protection, green spaces, biodiversity preservation, and strategies for adapting to climate change. Participants engage in both practical and theoretical exercises, gaining valuable insights into the importance of environmental stewardship and sustainable living practices. Moreover, the Eco-Rally serves as an excellent platform for experiential learning, fostering teamwork, critical thinking, and creativity among participants.
