

CircInWater

Supporting European SMEs to bring
water-smart solutions to market

Co-funded by
the European Union

The WINNING DAYS – Accelerating Innovation in EU SMEs towards Water Circularity

CircInWater Partnership is organising, in collaboration with Water Smart Connect, an online event to showcase the innovation landscape of water circularity and water-resilient technologies

Date: 06 June 2025

Agenda:

9.30 – 09.35h – Welcome and introduction

9.35 – 10.35h – Round table: Innovative solutions targeting CIW challenges

- Reducing water risk for agri-food and energy-intensive industries
 - AQUAWATT: Microturbine-powered and AI-driven IoT System for Water Assets Management
 - FARMDROPS: Farming Artificial Intelligence Drone Optimized Precision Systems
 - HYDROBALL: Innovative smart sensor technology for efficient water management
 - NAIADNET: Spectral Sensing for Intelligent Water Monitoring
 - SMARTDROP: IoT based smart and efficient crop irrigation solution
- Accelerating circular economy
 - REMJA: Water reuse for local rural agriculture
 - BIORESQUE: Resource Recovery and Production by Industry Like Nature Biorefinery
 - AOPAPER: Advanced Oxidation Processes for accelerating water reuse in the pulp&paper industry
- Promoting quality monitoring and water treatment, remediation, and disinfection
 - Sustainable farming dashboard,
 - AGRI-S3DP: Real-time bacterial monitoring of re-used water in agriculture to reduce water scarcity
 - ATIUM: Enabling selective and resource efficient removal of mercury from water and chemicals
 - MPNWR: MPN Analyser - safe water reuse in agri-food

10.35 – 10.40h Coffee Break

10.40 – 11.25 Funding framework for developing innovative solutions in the water sector

- Eureka funding opportunities for SMEs (Eurostars/Innowwide)
- Interregional Innovation Investments (I3) Instrument
- EIC (Accelerator, Transition, Pathfinder)
- Water4All
- Future Euroclusters partnerships: cascade funding opportunities
- Private funding

11.25 – 11.30 Closure

- CIW and WSC highlights and main achievements

06 June 2025 – 20 June 2025 B2B Sessions on B2match
