

HOW TO MAKE FASHION CIRCULAR?

Hands-on Webinar

The traditional business models in the textile industry follow a linear system—take, make, waste. But there's a smarter, more sustainable path ahead!

We'll explore how to transform business practices toward a circular economy. We'll introduce a holistic tool and practical strategies that you can apply directly to your operations to develop a brand-individual circularity strategy. We will showcase best-practice examples, dive into innovative materials and discuss hands-on solutions that fit your needs.

Target group: CSR-Management, Sustainability Officers, Human Rights Officers, Supply Chain Management

x

1. Where can you start transforming your business to a circular one?
2. How can you develop a holistic circular strategy?
3. Which concepts already work, and how can you implement them?
