

Draft program for the Green Week 2024 event: Water management in alpine refuges

Organizer: GECT Parc européen/Parco europeo Alpi Marittime-Mercantour

July 12, 2024 (proposed date subject to change)

9 am

Meeting with the Marguareis Natural Park staff and departure on foot from the Pian delle Gorre parking lot in Chiusa di Pesio.

The way follows a stream at the beginning, and includes a part in forest and another in alpine pastures. (easy hike, usual duration: about 2 hours).

11:30 am

Arrival at the refuge and first tour of the area

12 pm

Packed lunch or possibility of taking a meal at the refuge

1:30 pm

Presentation by an agent of the Marguareis Natural Park on the management of water resources on the refuge and the dedicated installations (in particular the phytodepuration system).

From 3 pm

Descent at leisure (approx. 2h)
