

## **Programme Opening first circular building by EcoFab 26 June 2025**

Location: the Koning Willem I College in Veghel, NL

Date/Time: June 26<sup>th</sup> 2025, 10:00-13:00

Language: Dutch

9:30-10:00 hour

Reception at Koning Willem 1 College, the location of the circular TerugWINwoning.

10:00-12:00 hour

Three speakers will explain about circular building and the building process of our TerugWINwoning.

### **Speakers**

**Anita Pauwels** - Hendriks

**Gido Smolders** - Hendriks Modulefabrique

**Robin Clement** - NXT Building

In the second part we will discuss circular building with the panel and the audience. What chances do we see? What is the impact of circular building? How can you best handle the costs? How can we really build sustainable?

This will start a discussion and raise new questions.

### **Panel**

**Robin Clement** - NXT Building

**Harold van de Ven** - Building Balance

**Sam Schoonus** - Woonveste

**Gido Smolders** - Hendriks Modulefabrique

In the third part we can visit the **TerugWINwoning**.

12:00-13:00 hour

Lunch and networking
