

**Green Week Partner Event**

***Unlocking nature's potential across the budget lines: Innovative and complementary methods to harness public and private investments for Nature-based Solutions***

**Date: 2<sup>nd</sup> June 2026**

**Time: 2pm-5pm CET**

**Location: Brussels**

**Draft Agenda:**

(10 mins) Welcome speech

(10 mins) Introduction: Nbs and the financing gap

(20 mins) Setting the scene: the private and public perspective, budget allocations and interpretations, aligning goals with NbS and financing nature 'differently'.

(5 mins) Objectives of the session

(45mins) Practical examples of aligning budgets with NbS: 4 presentations, e.g.

- A municipality (integrating NbS in transport/health projects)
- A business (achieving circularity through NbS)
- A landscape architect (integrating NbS in social/health projects)
- An EU project (integrating nature in insurance sector)

(40 mins) Moderated panel discussion

(20 mins) Questions from the audience

(15mins) Conclusions and key takeaways

Drinks reception (tbd)
