

EUI CAPACITY BUILDING FOLLOW-UP WEBINAR

From national restoration plans to greener cities:
preparing urban authorities for the nature restoration
law

Online, 9 June 2026, 10:30 – 12:00 CET

Webinar Agenda (1h30)

From National Restoration Plans to Greener Cities: Preparing for the Nature Restoration Law

0:00 – 0:05 | Welcome & Introduction

- Objectives of the session
- Why cities matter for NRL implementation

0:05 – 0:20 | Understanding the Nature Restoration Law for Cities

- Key urban provisions (no net loss, tree canopy, post-2030 targets)
- What to expect from National Restoration Plans (NRPs)

0:20 – 0:40 | Are Cities Ready? Assessing Implementation Capacity

- Governance, data, finance and delivery readiness
- Introduction to a simple self-assessment approach
- Identifying priority actions for the short term

0:40 – 1:10 | From Policy to Practice: Tools & City Examples

- Integrating restoration into planning and land use
- Financing and maintaining urban nature
- Community engagement and political feasibility
- Quick case insights from European cities

1:10 – 1:25 | Interactive Segment

- Poll or quick reflection: key challenges & needs
- Collecting inputs to shape follow-up support

1:25 – 1:30 | Wrap-up & Next Steps

- Key takeaways
- Opportunities for follow-up (EUI support, City-to-City exchanges)
