# Accelerating the Circular Bioeconomy: Innovation for Sustainable Rural Development

Online – 11 June 2025

Register [here](#)

## Policy Briefs & Policy recommendations for rural bioeconomy - BioRural

09:30 – 09:45

**BioRural project**

Dimitris Michas

CERTH - The Centre for Research and Technology-Hellas, Greece

## Multi-actor Innovation Platforms and Innovation support services to get small-scale biobased solutions into mainstream practices across rural Europe

09:45 – 10:00

**MainstreamBIO project**

Leonidas Parodos (Project Coordinator)

Q-PLAN INTERNATIONAL, Greece

## Circular nutrient flows for bioeconomy

10:00 – 10:15

**P2Green project**

Stefan Karlowsky

Leibniz-Institut für Gemüse- und Zierpflanzenbau (IGZ), Germany

## RuralBioUp: support for scaling-up bio-based solutions in European rural areas

10:15 – 10:30

**RuralBioUp project**

Karolina Jurkiewicz (Project Coordinator)

APRE - Agenzia Per la Promozione della Ricerca Europea, Italy

## **CEE2ACT E-solutions for green transition, National Bioeconomy Hubs and knowledge transfer strategy for bioeconomy**

10:30 – 10:45

### **CEE2ACT project**

Carla Schmid

Collaborating Centre on Sustainable Consumption and Production, Germany

10:45 – 11:00

## **Coffee Break**

## **Pathways to a regional circular bioeconomy: Tools and practices for transforming greenhouse gas-intensive regions**

11:00 – 11:15

### **BIO2REG project**

Denise Gider (Project Coordinator)

BioökonomieREVIER, Forschungszentrum Jülich, Germany

BBioNets

## **BioBased Technologies (BBTs) in agriculture and forestry**

11:15 – 11:30

### **BBioNets project**

Carmen Girón Domínguez, project coordinator

MTU Munster Technological University, Ireland

## **The transformation of agri-food residues into valuable bio-products, demonstrating circular bioeconomy best practices for rural sustainability**

11:30 – 11:45

### **Agriloop project**

Jan Broeze

MTU Munster Technological University, Ireland

## **Cooperative and Sustainable business models for bio-based chains in rural areas**

11:45 – 12:00

### **BRILIAN project**

Paula Aguado

Wageningen University, Netherlands

12:00 – 12:20

## **Final Q&A**
